

YOUR MISSION CRITICAL
PARTNER

23400 Commerce Drive, Farmington Hills, MI 48335
(248) 616-9200

Our Core Values

Act Like an Owner

- Take Initiative
- Take Ownership
- Do What Needs to Be Done

Be the Best You

- Be Passionate
- Be Driven
- Do It To The Best of Your Ability

Put others Before Yourself

- Be Selfless
- Be a Team Player
- Be People Focused

Do it for the Right Reasons

- No Ego
- Have Quiet Confidence
- Be a Problem Solver

Enjoy the Ride

- Be Engaged
- Work Hard & Play Harder
- Have Fun

Our Vision:

To be the trusted and irreplaceable partner by providing creative problem solving, strong technical skills, and strategic industry knowledge. Building lasting relationships by understanding our client's problems, developing solutions with them, while creating a connection that extends beyond the products and services we provide.

UPS Systems

Vertiv: Liebert

GXT5
500VA - 20,000VA
Online Double
Conversion UPS
Lithium-Ion Available

PSI5
800VA - 5,000VA
Line Interactive UPS
Lithium-Ion Available

APS
5,000VA - 20,000VA
Scalable/
Modular Online
Double Conversion
UPS

Three - Phase

Trinergy
Capacities up to
3000kW
Largest Modular UPS
Offering
Lithium-Ion Available

PowerUPS 9000
625kW to 1250kW
High Efficiency, Modular
Construction,
Scalable/Redundant
Lithium-Ion Available

APM2
10kW to 600kW
High Efficiency, Modular
Construction,
Scalable/Redundant
Lithium-Ion Available

ITA2
5kW - 20kW
Rack/Tower Mount
Online Double
Conversion UPS
Lithium-Ion Available

Solutions

Microgrid Solutions

Vertiv

**Battery Energy
Storage System**
LFP Battery Units:
• E1+ 379/407 kWh Cabinets
• EC 3794 kWh Container
• EC+ 4070 kWh Container
• EX 5060 kWh Container

Microgrid Controls
Control Enclosure
Integrates Alternate
Utility Sources

**Power Conversion
System**
DynaFlex™ 1000
1.5MW, EnergyCore™
Grid 5.2MW

**Fire Suppression
Systems**
Explosion Proof Fan System
Meets NFPA69 Standard and
has ATEX Certification, Dry
Pipe System Meets NFPA855
and NFPA 15 Standard

Power Distribution

Vertiv: Liebert

**Transformer-
Based PDU**
15kVA-950kVA
Floor-Mounted PDU

**Transformer-
Less PDU**
400A, 84P
Floor-Mounted PDU
(RPP)

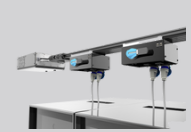

STS2
Automatic, Seamless
Transfer Switch
